You concentrate on the ping pong action, while your Games Maker organises your tournament, arranges the teams and provides the players the perfect balance of encouragement, entertaining repartee, and a spot of good old fashioned trash talking.

Our Games Makers are hand picked comedians, actors and former professionals of the game, who will make sure you have the most fun possible while holding a ping pong bat!

It's all fun and games with a loud and lively
Bounce Sports Day!

For events with a competitive edge, there
has to be a winner!

You can relax knowing the Bounce Games Maker will ensure every guest gets
involved and enjoys the event, regardless of ability.

Games BOOKING

The Bounce Sports Day games are an energetic twist on the traditional game. Suitable for those looking to add some healthy variety to their ping pong menu.

ROUND THE TABLE

The classic all inclusive game for players of all skill and fitness levels. As the game suggests, players move around the table, simple and elegant.

BIG 15

Long play team game. Endurance, stamina and concentration are the buzzwords in this epic team dual.

CIRCLE OF LIFE

Fiendishly mind twisting game requiring quick wits, teamwork and a healthy dose of co-operation to defeat the opposition.

BROTHERS IN ARMS

Ever so slightly silly, a nice chance to get up close and personal with your partners, as your arms are not your own.

TEAM BATTLE

A team battle of the highest order, players are eliminated until one team reigns supreme.

ROUND THE TABLE

BOUNCE SPECIAL EDITION

Round the Table gets the Bounce treatment... Tweaked to make it trickier!

Tournament **BOOKING**

There are TWO types of tantalising tournament available depending on the size of your event. All games are played up to 11 points.

THE BOUNCE CUP

The Bounce Cup will release your competitive side, playing with the same rules as the Olympians, although with a little more flexibility! Each pair will play at least two games each, leading to a grand final to decide the top team of the day.

BOUNCE KNOCKOUT

A straight, sometimes brutal knockout competition with the two undefeated teams progressing to the grand final.
