# THE SHOW

This Christmas, The London Cabaret Club presents 'A Gatsby Christmas', a dazzling, full scale Christmas extravaganza in the heart of Bloomsbury.

Step into a glittery magical winter wonderland for a unique entertainment experience that combines an amazing performance with luxury dining.

The venue is transformed with an array of winter golds, feathers and of course good ol' Father Christmas himself will be in attendance. Our bearcats in flappers will be at their door to welcome guests into our brilliant 1920's Christmas spectacle. This is an unforgettable festive evening with aerial artists, gangsters, molls and champagne a flowing.

A decorative graphic featuring gold-colored holly leaves and berries on a black background. The design is symmetrical and elegant, with a central floral element and smaller leaf clusters on either side. The overall aesthetic is festive and sophisticated.
